

DETAILED ACTION

1. Applicants' response filed on 11/23/2010 amended independent claims 1 and 5-6, and dependent claims 13-15, and 18-19, cancelled claims 2, 7, 10-12 and 16-17 and added new dependent claim 20. Applicants' amendments in light of their arguments regarding unexpected results are persuasive and, therefore, the 35 USC 103 rejection over Miyake in view of Yagishita from the office action mailed on 5/24/2010 is withdrawn. For the reasons stated below, claims 1, 4-6, 13-15 and 18-20 are in allowable condition.

Examiners Amendment

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.
